New to Who?
Map Activity

Locate the following place names on your map. For each place name you found, write a complete sentence describing the place's location on the map. Make sure someone could find the place name just by using your sentence.
For example: Canada is north of Huron Lake.

1. Western Ocean

Sentence:

2. New Spain

Sentence:

3. New France

Sentence:

4. New Mexico

Sentence:

5. Eskimaux

Sentence:

6. Parts Unknown

Sentence:

In 2 paragraphs, explain:

a. where the cartographer was from, based on what you infer from the map. How do you know?
b. Who the map was for, and who it wasn't for. How do you know?
c. What we can infer about bias in cartography based on the map, and based on what we've learned about Magellan. How do you know?
